

SHEKHAR SAXENA

Shekhar Saxena is Coordinator of the Team Mental Health: Evidence and Research at World Health Organization, Geneva. He is a psychiatrist by training with about 25 years of experience in research and programme management in the areas of mental health service delivery and information systems, mostly in low and middle-income countries. He was one of the writers of the World Health Report-2001 on mental health. He is responsible for the WHO's project Atlas on mental health resources and for WHO Assessment Instrument for Mental Health Systems (WHO-AIMS) being used in more than 50 countries. His expertise includes evaluation of community mental health services.
